

Hello Teachers and Administrators!

The 2011 spring semester has begun and you will soon be choosing field trip locations to take your students. We would like to give you a little information about what we can offer you and your students here at Smallin Civil War Cave.

Below are a few references we received from our spring school groups:

"This is a wonderful highlight to show visitors of Springfield, Missouri...Your expertise in this field is a gift to the community."

-Gg Shryer

"Thank you so much for allowing us to come and visit the cave last Friday. We loved it! Thanks again!"

-Mandy Tucker

"...For me, it was the best field trip I have ever had. I have been doing this for 19 years so I have a few to compare it to.....the kids, the teachers , and the bus driver all unanimously said 'wonderful!'"

-Glenda Robertson

Everton Elementary 2nd grade class

"We took a group of middle school students here for a field trip and they loved it! The tour guides give enough information combined with some stories to really keep their interest for the hour long tour."
